<b>Participant name</b>

	Yes	No
<b>Is the support related to your disability?</b> Do you require the support because of your disability?		
<b>Will the support help you to reach the goals in your NDIS plan?</b> The support you buy must be linked to the support budgets and goals in your current NDIS plan.		
<b>Is the support reasonably priced and good value?</b> The support should give you good value-for-money compared to other options.		
<b>Can you afford the support within your support budget?</b> Your NDIS funding needs to last for the length of your plan.		
<b>Will the support help you to connect with your community and improve the relationships you have with family and friends?</b> The support you buy should help you to participate in activities with friends and other members of your community, or help you find and keep a job.		
<b>Is the support something that should be funded by the NDIS and not other government services?</b> The NDIS will not fund support that is provided by other government services. For example, dental, health or hospital services, education, housing, and public transport are all provided by other government services.		
<b>Is the support safe?</b> The support you buy must be legal. It should not cause harm or put yourself or other people at risk.		

If you are able to answer 'yes' to each of these questions, then the support is likely to be in line with your NDIS plan and goals.
